New Sponsorship for Point of Pride Corner

Keep Enid Beautiful (KEB) is a certified affiliate of Keep Oklahoma Beautiful, who is part of the national organization Keep America Beautiful. The success of Keep Enid Beautiful relies on the support of Enid businesses and people like you. Main Street Enid is a non-profit organization that relies on donations and sponsorships as well as private and public partnerships for support.

The Point of Pride program will allow KEB to establish and maintain beautification efforts in Enid's downtown square. Several corners have already been planted with more still to come.

Sponsorship levels: Each level covers the cost of planting twice a year (Spring and Fall) and maintenance year-round. KEB will adorn an adopted corner with a decorative sign acknowledging your gift and support, if desired and allowed.

A five-year commitment of \$2,000 per year (total commitment \$10,000).

A three-year commitment of \$2,000 per year (total commitment \$6,000).
